

## The rules of FAST4 Tennis

### **1. First to four games wins**

It doesn't matter how you get there, just make sure you do before your opponent does!

### **2. Tiebreaker at 3 games all**

At 3 games all a tiebreak is played to 5 points. A deciding point will be played at 4 points all.

### **3. No ad scoring**

If the score reaches deuce, it's a sudden death point. The receiver chooses which side to take the serve on. This also applies in doubles with the receiving pair deciding who receives the serve. However the pair cannot change positions. In mixed doubles the player of the same gender shall receive.

#### **4. Play lets**

If the serve clips the net and lands in the service box, there's no let and the ball is in play. If you are playing doubles either the receiver or the receiver's partner can play the return.
